

**The only uncensored media in Germany today:**

**Under huge pressure of all kinds from German authorities**

***three courageous German private pilots***

**working under order of German opposition party**

**DIE NEUE MITTE**

Zurück zur Vernunft.

**established the:**

**“German Peace Air Force”**

which has so far been flying the following banners over the following German cities: **Berlin, Stuttgart, Heidelberg, Mainz, Bonn, Rostock, Ribnitz, Schwerin, Stralsund, Potsdam**

**... more to follow soon !**

**All banners**, except congratulations banner for President Putin’s birthday, **contain URLs** leading to web pages containing vital information on Washington’s war crimes, anti-German/European policies and attacks as well as Ukraine’s Nazi-infested domestic oppression and aggression.

**Please Sign** the "Germany for Peace" petition!
